“ My deepest sympathy to you and your family during this difficult time. May you take comfort in the knowledge that there is hope in that God promises that there will be a resurrection for the righteous and unrighteous (Acts 24:15). May these words bring you comfort during this time of grief.

“ Lois I am sad that you are gone, but so glad that you are no longer suffering with the pains of this life. I just know you are running all over Heaven seeing family and friends. We did not spend a lot of time together but I cherish the time we did and the time spent on the phone solving all the worlds problems. We will all miss you, and will think of you often. Love You.
