“ *Sending prayers for comfort and healing to you all. I had the great pleasure of working with Lois at Lakeview Terrace for a number of years. As did my mother Cathryn Hall. I was 3-11 nurse and Lois was a hardworking and caring CNA. I will remember her always. The world is a better place for her having been in it. May she be at peace in Gods glorious heaven. With sincere sympathy, Kathy Hall Leverrett and Cathryn Hall*
