

Loma E. Reichert

September 18, 1943 - June 11, 2021

Loma's sojourn through this life lasted for 77 years. Her life's journey began on September 18, 1943 as Loma Elizabeth Duckworth and ended on June 11th 2021 as Loma Elizabeth Reichert, my beloved wife.

She now rests in the arms of our LORD and Savior Jesus Christ.

During her early life she endured abandonment, heartache and disappointment but her heart was never hardened by these things as many would have been. Instead, she grew into the most kind, compassionate and loving person I have ever known, embodying the great Love Chapter of 1st Corinthians 13.

She had her foibles as any of us do but her virtues far outweighed them. She bore two children, Robert and Rebecca and saw the birth of seven grandchildren and four great grandchildren.

I was blessed to share the last 43 years of her life as a loving companion and proud husband.

She deeply loved us all and in return was deeply loved by us all and love never ends.

Farewell my love, we will be reunited in the world to come.
