

Lonny Richard Jackson

June 9, 1980 - June 15, 2025

Lonny Richard Jackson, 45, passed away on June 15, 2025.

Lonny was life to those who truly knew him. His big heart, infectious grin and goofy personality brought life to every room he entered. Beneath his vibrant exterior was a heart of gold that craved the best life had to offer. Lonny found joy in the simplicity of everyday life and he wanted the same for those he loved. Lonny embodied the very essence of the cowboy spirit; rugged independence tethered to a fierce need of security and a deep-seated loyalty and responsibility to home. Coming back home to Florida afforded Lonny with the comfort and love that only home can provide. This was his quiet place of peace where he found joy in life on the farm.

Lonny only ever wanted one thing in life, to be a daddy. He wore that title with honor and served it with pride. Lonny's two children were his saving grace. He had a light in his soul that will forever burn with unwavering love for Layne and Emily. His heart's desire was for them to find peace, have purpose and know their daddy's love for them. This very love that Lonny poured into the lives of his children will continue to live on and light the path of their life's journey. He wanted his love to shine brightly in them and for his mark on their world to be eternally etched.

The life he lived and the love he gave so freely will be cherished in memories shared, laughter adored and comfort in knowing that Lonny has found peace. He will forever live on in the hearts of those that knew him.

Lonny is survived by his children, Layne Christopher and Emilyya Elaine of South Carolina. His parents, Rick and Cherry Jackson of Center Hill. Sister, Jessica Shealy-husband Chase and nieces Braelyn and Hadley Shealy of South Carolina. Paternal grandparents, Bill and Mary Jackson of Sumterville. Cousin, Sasha Carroll (Karson and Kennedy) of Tennessee. Cousin Jeremy Marsh (Tweetie) of South Carolina. Lonny also leaves behind a host of extended family and close friends. He is preceded in death by maternal grandparents, Robert and Pauline Outlaw.

“ I remember when Lon came into the office the first day for his interview. He was smiling and had the best accent. We immediately bonded over our love for University of Alabama!! He always had a smile on his face and in the mornings when he passed my desk- instead of a Good Morning, he would sing out "Roll Tide". It always brought a smile to my face. He will be missed.
