“ *I have wonderful memories of Mrs. Sapp. When we all lived in Iowa, she was my first pastor's wife, and my first piano teacher. She even allowed me to clean her house so that I could afford those piano lessons. My sympathy to all of the family. God bless you each.*

“ *Lloyd and Loretta were loved immensely by the McHugh family during their ministry at Southside Christian Church, Council Bluffs, IA. Lloyd brought the ordination message at Mike's ordination after Bible College at Nebraska Christian College, and we followed them after they left Columbus Christian Church. Their influence continues. Mike learned to play the piano with lessons from Loretta, and he has used that ability well over the last 45 years. They were encouragers in ministry, friends in life, and as much as they loved their family I think they loved the Lord even more! They will be missed, but are rejoicing together today in the presence of Jesus.*
