“ *Lorraine "Rainey" was my life long friend. We grew up together. We shared a lot of laughs and tears. I will not forget the times that we spent together and even double dated in our younger years. I also will not forget the trip to NJ when Lorraine wanted to surprise her Mom with a visit. Lorraine always called her Mom on Saturday and I had to be extremely quiet while driving when she was talking to her Mom. Lorraine was very upbeat and had a big and kind heart. Always willing to help. I will miss her and our talks. R.I.P.*
