“ *going to miss that bubbly personality. She use to work @ avante with us. It had been awhile since I seen her I didn't know she was sick. Tried to see how old she was and well she always said a lady never tells her age. Going to miss you. Sending prayers to family*

“ Lory and I were roommates for a while and thru a round about way I met my current husband of 36 years thru Lory. Lory hosted my bridal shower as well as a baby shower. As time marched on we kind of lost touch and happened to meet again at Leesburg Little League where both of our sons played. Throughout these past 40 years we would bump into each other and catch up. Lory was always beautiful inside and out. Every time we saw each other it was if time stood still. Not only could we pick up a conversation as if we saw each other yesterday but Lory never aged. She always looked like the girl from our youth. Nobody could miss that beaming smile! Lory will be missed by many, for that I am sure. For Lory's family and friends, please accept my heart felt condolences on your loss.
