“ Hello, Please accept my condolences for Louis' death. No doubt you have missed him dearly, however you can find comfort from your bible at Revelation 21:3 & 4. How we long for that time! “ Dear Daddy, I love you so much and I wish you could of stayed here forever with us. It's going to be hard to live without you. I wish you were here now. You always said, wine makes everything better, but not in this case ): I hope you are at least watching over us and granting all our wishes here on earth now. You at least owe us that for going too soon lol. Now I'm going to have foxes all over my place too! I will love and miss you forever! Love, Les
