“ My condolences to Lou's family. I worked with Lou as a hospital volunteer, and when I first started, Lou was the Day Captain. I ran to him with any problems and he solved them, no hesitation. Such a great guy, he will absolutely be missed. Pat, you have my sympathy at this sad time.

“ Remembering the good times with Lou, like when he was my partner at Sharon's Golf Outing and when he was so kind as to cook for us golfers at your house. He was a great man and sorely missed.

“ Dear Pat,

I'm so sorry to read of Louis' passing. May God help you and your family through this most difficult time.

You may remember the story about a man with cap and sun glasses saying hi and addressing me by my name when I took my walks through Rio Ponderosa. The third time this happened, I asked how he knew my name - sure enough, it was Louis!
