“ *Daddy Ed you will be missed so very much by all who knew and loved you especially me. I will never forget the time we went fishing and you were teaching how to throw out the line. When I threw the line out I caught your ear and you just laughed and told me it was okay. Even though you were my step father in my heart you were my father. I will miss you so very much. Alan my condolences to you. You were blessed to have such a wonderful father in your life.*
