“ A sweet memory I have of Lou. While at the podium back stage, Lou had a calming effect for us. Being short, I was usually first to go out onto the stage. I therefore stood next to him waiting for my turn. We couldn't talk back there but he gave me such an encouraging smile with a twinkle in his eyes and a thumbs up as I walked out. I will remember that every time I am back stage waiting to go out. With deep affection and love, Michele
