“ My heart is saddened to here of the lost of Louise. I had the honor at 5 years of age to be the flower girl for she and Andy's wedding over 60 years ago.

Our world was blessed to have this wonderful family, role models and friends to know and love during our years here! Prayers for their family that precious memories will in time replace the sadness!

“ It was always a pleasure to see Mrs. Caldwell at the pharmacy. She was so pleasant; a gentle soul. I will miss her. Growing up with Robert, I know she was a great Mom. Her life was a great example for us to follow. Our condolences to the family.

“ Sorry to hear of your Mom & (your Dad's previously) passing. They were both extremely nice folks to the neighborhoods "so called Yankees" way back in 1969 when we moved from NJ to Three Lakes. To this day, I still tell everybody how your Dad taught me that the answer of "yes" was not enough without a Sir or Maam being tacked on. May they both rest in peace now that they are back together. “ Louise Dearston Caldwell was a close friend and contemporary of my dear Aunt Mary Ann Yancey. Mrs. Caldwell also had a cheerful disposition. Her mother was a friend of my grandparents and my former Sunday School Teacher and mentor. The world was better because of her life.
