“ Amanda and family sorry for your lost i know when your mom dies a big part of your heart is taken, but she was working for this time all of her days and now her soul will live forever. I remember the Christmas of 1979 your mom and dad and Anita and Christopher came and spent Christmas eve with us and other family, we had such a great day fellowship and food many times over i will never forget that day. Take all the great things from her life and use them every day God bless you all.

“ *The angels are always near to those who are grieving to whisper in their ear that their loved one is safe in the hands of God. When you are sorrowful look again in your heart, and you shall see that in truth you are weeping for that which has been your greatest delight. Unable are the loved to truly die for love is immortality. Blessings of grace and peace to your family during this difficult time.*
