“ To the Family of Louise Guthrie I am sorry to read about the loss of your loved one. Take comfort in these words found at Revelation 21:4: "He will wipe out every tear from their eyes, and death will be no more, neither will mourning, nor outcry, nor pain be anymore. The former things have passed away". I really hope this scripture gives you all hope and comfort. You will be able to see your loved one again. If you'd like to write back please do so at desireeluis@hotmail.com.

“ On behalf of my family and particularly on behalf of my mother Mary Nusbickel I wish to express our heartfelt condolences to Paul and Diane and all your family. Your mother was a close and integral part of my growing up in Winter Park and I have many wonderful memories of her and her true Southern Gentile nature...not to mention her out of this world Coconut Cake. My Mom loved her as a sister and although in recent years your mother didn't / couldn't recognize her, Mom checked on her often, more so since she moved to the Towers a little more than a year ago. She asked me to send you her love and sorrow at loosing such a special friend. She did ask me to inquire about service arrangements, and even though your plans are just for the family, she would very much like to attend, if that would be o.k. If indeed you only want family in attendance, please don't hesitate to let me know and I will explain to her. Again I am sorry for your loss, but heartened that your Mother is at peace and is reunited with your Father and our Heavenly Father. Blessings to you all. Stan Nusbickel snusbickel@att.net
