“ *i feel like I knew her even though I can only wish I had. If I had the chance to say anything to her, it would be that she has a very tough daughter who is a fine friend and wonderful person with a big ole' heart! I love you Kay Sawchuk and am praying peace over you and your family!*

“ *My sincere condolences are expressed to the Manes and Griner families. I can only imagine how much Loyce will be missed and remembered with loving thoughts as we never met; however, my seventy five plus years of knowledge of the Buddy Griner extended family tells me Loyce was most respected and treasured. May the Peace and Grace of our Lord be with you all. Bunky Standridge*
