“ My sincerest condolences to Martha and Billy's family. I was so glad to have visited Billy before his passing and know he heard my words of deep appreciation for the man he was and the role model he provided for all of us who are committed to the mission of Sunrise ARC. Billy always expressed his deep appreciation of the work of fellow Board members, not realizing it was his light that inspired us. Billy's legacy to all of us is the art of living a good life. God bless his soul and his legacy. Maya Angelou, the Sweetness of Charity: "When we cast our bread upon the waters, we can presume that someone downstream whose face we will never know will benefit from our action, as we who are downstream from another will profit from the grantor's gift. If we change the way we think of charity, our personal lives will be richer and the larger world will be improved. When we give cheerfully and accept gratefully, we are all blessed." Thank you Billy. Rest in peace in the light of the Lord.

“ Dear Martha ,Chuck and Audrey : Please receive the condolence of Shirey and I for the loss of our dear friend, Billy your husband and father. Although Shirley and I had known your husband and father a few years it did not take long to recognize him as a great man and a wonderful friend, husband and father. He and I shared a lot of time together sharing life's experiences both good and not so. He truly was a man of God who loved and served God, his family his country and many others as a honorable person should do. Shirley and I have been praying for him and you all and will continue to do so. We all know that he is at home with the Lord and we meet him again. May God continue to bless you all and help you through this sad but glorious time. Dr. Lou and Shirley Radnothy
