“ But when I walked through the heaven's gates, I felt so much at home . When God looked down and smile at me, From his great golden throne, He said. "This is eternity, and all I've promised you." Today your life on earth is past, but here life starts anew. I promise no tomorrow, but today will always last, and since each day is the same way, there's no longing for the past. But you have been forgiven, and now at last you're free. So won't you come and take my hand,, and share my life with me. So when tomorrow starts without me, dont think we're far apart, for every time you think of me, I'm right here, in your heart. God Bless your Family!

“ Uncle Jim, Terry, Johnny, and family, We are so sorry for you in the loss of your mom. She was a great aunt, special person and loved so much. She will be missed, but we know that we'll see her with Jesus when we get to heaven. That will be a glorious homecoming to look forward to. We won't be able to attend the services, but know that we will be praying for you during this time. We'll miss seeing you; hopefully we'll be able to soon. Love to all, Bev. & Steve Sutton
