“ *What a lovely lady she will be MISSED here at Lake Ridge Village! I already do! During Wii bowling where she almost always made 160 score to her playing in the Kitchen band! She was always one of the first to join up and try something! She touched my heart! Thank the Lord she came here and is now home.*

“ *Loving memories of Lucia and how she inspired us to be more active in MFL, and when she moved we were sad that she was no longer here with us. May God give you all peace in knowing she is with Him. May God bless your journeys Marilyn and Larry.*

“ Dear Marilyn and Larry, We will were soooo sorry to hear of your Mom's passing. What a girl she was! Always always always an inspiration to so many of us. We will not be able to be there tomorrow because of appointments, but we are praying that you will sense God's presence and His comfort. I think how your Mom and Dear Erna must be rejoicing tonight.
