### Obituary of Lucille Steffanic

On July 4th, Lucille Steffanic known to all as Memere Lu, born in Rhode Island in 1922, peacefully joined her soulmate, Vincent Steffanic in Heaven. She lived as a supportive and devoted wife to Vincent. She enjoyed shopping and going out to eat with her daughter and son-in-law Gloria and Robert Frates of Fruitland Park. She never missed a moment in the lives of her 7 grandchildren, whom she loved abundantly and enjoyed spoiling. Her face lit up whenever any of her 10 great grandchildren walked into the room or gave her hugs and kisses. She filled her family with constant love and family traditions that will be carried on for generations to come.

“Gloria and Bob... my heart goes out to you, Michael, and the rest of your children and grandchildren, in this difficult time. I am a regular donor to Big Brothers/Big Sisters, and I got something in the mail today from them, which led me out of curiosity to look up your father online. I had figured he had passed, but instead I was confronted with the fact that your mother died only this week. I do not doubt that the Spirit moved me to learn of this tonight. I remember your mother when I was a boy, always making bran muffins... she'd always have them out, ready for my frequent visit. I always thought she was so sweet, and she reminded me of Archie Bunker's wife! Even though I was your father's fifth "little brother", it was clear that taking on the task of mentoring a boy was a shared effort between your parents. Your mother, and your father, were both dear, dear people, and my heart truly goes out to you as you celebrate her life, and her reunion with my big brother.

“Now will I praise those godly people, our ancestors, each in their own time. These were godly people whose virtues have not been forgotten; Their wealth remains in their families, their heritage with their descendants; Through God's covenant with them their family endures, their posterity, for their sake. And for all time their family will endure, their glory will never be blotted out; Their bodies are peacefully laid away, but their name lives on and on. At gatherings their wisdom is retold, and the assembly proclaims their praise (Sirach 44:10-15)

“ *To Gloria and her family Please know that you are in my thoughts and in my prayers. The obituary was beautiful tribute to your mother/grandmother/great-grandmother. I think it said all that could be said. I hope that it brings you comfort knowing that she is reunited with her beloved husband. May your hearts heal, and may you find happiness in all the wonderful memories that you have of her.*
