“ We are so proud to have had you in our lives. All the funny stories that you told us about our mom and other aunt and uncles. We will never forget spending the night with you and waking up to the smell of coffee and then seeing you drinking it out of your saucer instead of your cup. We will miss you and love you forever.

“ I pray God will comfort you all with memories of this beautiful lady. May Aunt Lucille rest in peace knowing how she touched our lives and that we are better to have known her. "Goodbyes are not forever. Goodbyes are not the end. They simply mean I'll miss you, until we are together again."
