“ I just found out about Lynn. He was my supervisor when I worked jet engine stock room at RAF Upper Heyford, Oxon, England (@ 1976-79). He had told me he wanted to retire in the UK after USAF retirement.

“ We often walk our dog Missy past Lynn's house and would stop in to talk with him and to let Missy and Princess meet. We enjoyed talking to Lynn about the Canadaigua area. Our son lives in Victor, not far from Canadaigua. We agreed that the winters in The Villages is much better than New York State. Lynn was a nice guy and we will miss him and will think of him as we walk pass his house with Missy. God bless you Lynn.

“ *As the acting spokesperson for the Canandaigua Academy Class of 1954, I would like to send condolences on behalf of our class. The remaining class members stay in touch especially via email. In fact you will probably find our February newsletter in your dad's inbox. Unfortunately because we are all 80 or so we lose people too frequently but I wanted you to know that at our monthly luncheon tomorrow we will all be thinking of Lynn and remembering him fondly.*
