

## Lynn Ann Siebers

May 29, 1947 - March 23, 2025

Lynn Ann Siebers, 77 of Summerfield passed away on Sunday, March 23, 2025.

Lynn was born on May 29, 1947 to Kenneth and Marie (Killien) Van Elsen in Kaukauna, WI. She attended local schools and started a career in the paper goods industry. Lynn eventually pursued a career that served some very nice families directly, cleaning 4-5 homes on a regular schedule. Lynn enjoyed a busy and varied social life, filled with activity. Even though Lynn was a bit of a city girl, she and Dan loved camping and fishing, camping most every weekend possible. They loved long motorcycle rides, visiting state and national parks far and wide. Travel was another joy, visiting family in Florida, Disney, Key West, New Jersey, Maine, West Virginia and a trans-Canadian drive. Lynn was a knitter and made cute dragons with beads that clipped to your clothes or a screen door. She loved cards with the neighbors, TV shows like Survivor and Amazing Race and documentaries. Lynn was extremely close with her three sisters, but her pride and joy were her cats!!! It started with Willie the adopted stray and continued over the years. At one point Lynn was mom to 5 fur babies.

She is survived by her husband of over 50 years, Dan, sisters Karen (Dennis) of Sturgeon Bay, WI, Kathy (Richard) of Kimberly, WI and Dawn (Wes) of Appleton, WI and a brother Dale (Rosemary) of Kaukauna, WI. She also

leaves many nieces and nephews.

No services are currently planned.

“ *My dear sister will always hold a special place in my heart. She was kind, compassionate, understanding and fun to be around. I was born on Lynn's 17th birthday and she chose my name. Near or far we celebrated our "twin day" together. Until we meet again. Fly high with the angels.*
