“ We always saw Lynnette at the field watching the boys play baseball. She was always smiling and had a friendly word for everyone. She's been such a faithful supporter of our boys and will be dearly missed at the field. I know she blessed so many everywhere she went by her example of how to truly show the love that Jesus wants us to know.

“ I am a Respiratory Therapist at St. Josephs Hospital in Tampa. I was involved with Lynnettes care when she was in our P.I.C.U in the 1980's. She was a very special little girl with a beautiful smile! Even when she was feeling bad she still found a way to make things seem better and always brightened my day and also everyone around her. I also remember her parents always being at her bedside showing their love and support. They were so involved with her care and well being and this was such a comfort for Lynnette. I would like to express my deepest sympathy to her family and friends at this difficult time. I know that God has a very special place in Heaven for Lynnette and she will now be an angel watching over her parents. God Bless and keep you! Bryan and Carol Godshall

“ *I have traveled all over the country and seen the best people and sometimes the worst, not only through my travels but through my career and I have not found a purer soul as Lynnette. If there is a moment that will stop you on a dime, this is in hearing that Lynnette has passed. Lynnette always had a smile and yes, one hell of a grip. When the world loses a soul like hers we all lose out. For us who knew her we were blessed to be in her presence. Lynnette's story is this and so much more. With the world constantly changing, it amazed me at our school reunion, Lynnette stayed the same. She always stayed sweet, always smiled, always had kind words. We could all learn something from Lynnette. I will miss you until we meet again Lynnette.*

“ Harold, Sandy and Landi...she was and is a beautiful angel and my heart is broken. Lynnette was the only friend I had that I knew if all others abandoned me, she would be the last one there. I will miss her weekly messages and chats on Facebook. She loved everyone unconditionally and I was privileged to call her my friend. My love and prayers are with you during this difficult time. Much love... Laura
