“ Mummy, as I affectionately call Mrs BadreSingh was a Godsend to me in the early 1980s when I needed someone to help as a babysitter for my daughter so that I could go to work and school. My condolences to her children and the rest of her family. May her soul rest in peace.

“ My fondest memories of Mummy is when she lived with us. She taught me how to crochet and I still have one of the pieces that I made under her guidance. She also taught me how to make the most delicious roti. Another wonderful memory is when my husband and I went to Leesburg to visit her. She loved to grow her flowers and she showed us the beautiful flowers that grew from the seeds that she brought from New Jersey to Florida. I will always keep these memories close to my heart.
