“ *Sis, this will be the last message I will get to send to you but it is sent with all of my love. The tears and laughter that we shared are priceless. Your sense of humor was wonderful. You have made the journey to eternal life. You were a very strong lady to overcome all of the obstacles in your life. Give dad my love and enjoy your reunion with him. So this will be my last goodbye and my last good night. Love you very much. Sis*
