“ Linda, Dave and I were surprised and saddened by Daves death. It seems a short time ago we saw him in Madison. Dave goes way back to the Bob Leising days and our early full timing. Dave was always there with an opinon or helping hand. I hope you are well and surrounded by your family. Our prayers to you.

“ Linda and family, So sorry to hear about David's passing. We were communicating mid-October and David was looking forward to a great recovery. He was looking forward to working through rehab and then caravanning on to Alaska with Linda in 2010. It was truly an honor to know David. He will be missed by many, many friends. Best wishes to you all.
