“ *The news of Makenzie's passing has stunned our entire family. Our deepest condolences to you and your family at this heart-rending time. I cannot imagine any pain more severe than that suffered when a child dies. Although no words can really help to ease the loss you bear, just know that you are very close in every thought and prayer.*

"Think of your child then, not as dead, but as living; not as a flower that has withered, but as one that is transplanted, and touched by a Divine hand that is blooming in richer colors and sweeter shades than those of earth." - Richard Hooker

“ Luke 8:40 gives an account of Jesus being approached by a man named Jairus, whose 12-year-old daughter was gravely ill. Shortly thereafter, word came that the girl had died. This news left Jairus heartbroken, but Jesus told him, "Have no fear, only exercise faith," (Luke 8:50). At the family's home, Jesus went in to the lifeless girl. Taking her by the hand, he said: "Maiden, I say to you, Get up!" (Luke 8:54). What happened? Immediately the maiden rose and began walking. The resurrection is a wonderful provision provided by our grand Creator Jehovah (John 5:28,29). I hope this account gives you the comfort you need during this difficult time. Please have faith and trust in God that your loved one will be resurrected.

“ My heartfelt condolences for the loss of your beloved, Makenzie. Please know that Jehovah God and his son Jesus Christ is aware of your pain and they care for you. (2 Corinthians 1:3,4) . I pray that you are able to find comfort in God's promise of paradise where there will be no more pain and sorrow (Revelation 21:4,5) and the many wonderful memories of your loved one becoming a reality in the future resurrection in paradise. (Acts 24:15). Please accept my sincere condolences.

“ My little 3M, as I affectionately called you were the perfect gift from God that embodied the spirit of innocence. I'm finally writing your name correctly. I always misspelled it. In the brief span of time that you were on this Earth you brought so much happiness to those around you. Your alligator shuffle brought tears of laughter to our eyes. Now our eyes are full of tears because a callous heart robbed the world of you. At one point you resembled the Michelin Tire man but then you slimmed up as your mobility increased. It amused me how you could find every single night light and remove it from its socket. As I look around my home I see so many remembrances of you: the backdoor which you toddled over to to let us know you wanted to go in the pool, great grandma's hospital bed that you enjoyed climbing up on, the "community" bed in my bedroom where your mother and sisters laid down with you to help you rest, etc. You brightened up Grandpa's life and gave it meaning. I believe you actually thought your name was Makenzie, Makenzie, Makenzie. You will be missed. Heaven is sweeter because you are there.
