“ *I deeply send my condolences to the entire family. In moments like these words are difficult to find to ease our hearts & soul. God had his plan & now a new angel in Heaven that will always be watching over his family. I have never met Mr. Rowe but just knowing Ms. Sandra Rowe means alot to me, and of the wonderful person she is & shared the painful moments & all she has done with all of her strength & heart. Hugs to all & remember him as the way he loved you for the best smiling memories. Rest in Peace. God Bless Always.*
