“ Arpana and Dr. Arti- Your Father was an amazing and (sometimes) stubborn man, but he sponsored me in our Rotary Club as a result of meeting him through Dian at SunriseArc. I am now president elect and devote my year of leadership to his unrelenting love of Rotary and all it stands for. I am sorry I didn't get to say my farewells at his servie, I only learned of his passing at the club on a Tues morning. I now work for Cornerstone Hospice as a fundraiser. After the meeting I left early and hightailed it to my office, locked my purse and keys in the car accidentally, called AAA and immediately found the chaplain. He counseled me and that's when I saw my way to honor Manhar's sponsorship was to devote my year of leadership experience to not only him and the both of you.....he was so VERY proud of his daughters. I wish you a year of healing, remembrance, and knowing he will not be forgotten! With great respect and remembence, Susan Bennett 352-771-3107
