“ I knew Marc from Bartell's - he was the manager at the store where I worked during my college years. Marc was a nice guy, always fair and had a great sense of humor. I had some really good talks with him and am saddened to learn that he passed away. I hope that he is at peace in Heaven.

“ Sincere sympathies to Marcs' family .I know that on some twilight morning when I'm out alone I will see the flicker of a headlamp from the corner of my eye , see a red shirt and two wheels in the distance . I will know that the roads are being patrolled by a true cyclist. God Bless. Mike.
