“ *Dearest Penny and Family: I am sorry I was not able to attend Marc's memorial service. My condolence's on your loss. Marc had an infectious laugh and a fun personality. He was always my dance partner in the 70's disco era. Not many guys could dance, but Marc could. For 40 years, no matter where I saw him, he was greeted me with a beautiful welcoming smile. "I will lie down and sleep in peace, for you alone, O Lord, make me dwell in safety." Psalm 4: 8 Love, Susie*

“ Marc will be remembered as more than a friend who always had a smile and kind word and never would not do anything to help or share anything to lend a helping hand. He will be missed for other things that thru the years although funny and special conversations could only be Marc. I will miss my friend. Until we see you again.

“ So sorry to hear of Marc's passing. My condolences to the family. I have fond memories of him.....High School, convincing me to help him out as a wrestlerette, keeping score for the wrestling team. Introduced me to Golf my Senior year, finding a half set of left handed clubs for me to practice with & played a significant part in helping me get my softball college scholarship!! Enjoyed coming home for the holidays & seeing him at the chopping block...GREAT Memories! I hope he didn't suffer too much in the end.

“ I thoroughly enjoyed working with Marc. For a season of time, I got to work directly with Marc helping him facilitate facilities updates to the franchisees. He was instrumental in many additions to my restaurant. More importantly, he was always willing to listen to concerns I had. During emergencies (fire and Hurricane Charley) he always leaped into action to help me. I always appreciated his servant spirit. He will be missed.

“ *Marc was one of the first people I met when I moved to Leesburg in 1974. He was one of the nicest guys I met. He always made it a point to stop and talk to me. Unfortunately it is a fact of life that we grow up and grow away. I haven't seen Marc in ages but I have always and will always remember him with a smile and a fond memory. When I hear that a friend has died young I find it hard to wrap my head around. I believe that this is not our forever home and when we have finished our "mission" on earth, God calls us home. I know Marc heard God say " Good job faithful friend." Vios Con Dios Marc, Debra Poe*

Always enjoyed his sense of humor and our conversations. We have had some great times together! Marc will be truly missed. John 14:1-4 "Let not your hearts be troubled. Believe in God; believe also in me. In my Father's house are many rooms. If it were not so, would I have told you that I go to prepare a place for you? “ Extending my sincere condolences to the entire Micham family as well as the LHS Class of 1973. Marc moved here and was an immediate force in all aspects of LHS life.....mainly keeping us laughing with his quick and acerbic wit. He has been such a dear friend to me all these years, but especially close these last 6-7 years. Even in the midst of his pain, he would always make a joke to keep things light. He was generous to a fault, helping so many. He will truly be missed....especially by me.
