“ Dear Kathy - I am so sorry to hear the passing of Marcy. We used to correspond by Christmas card every year. I had wondered why I hadn't received a card in the last couple of years, and was afraid she had passed. I worked with Marcy at Kemper Insurance for eight and one-half years. We had so much fun together working, going out to Kemper Luncheons and socializing outside of the workplace. She was one of my most caring friends. She meant the world to me!!! I used to just try and make her laugh because I absolutely loved her contagious laugh. After I resigned from Kemper, she would keep in touch by letting me know the latest that was going on when she attended the Retirement Dinners at Kemper. I will deeply miss corresponding with Marcy. May all your loving memories help keep you at peace!! Sincerely, Robyn
