“ *Marcia and I were very close friends for so many wonderful years. Enjoyed spending a week together every year, never running out of things to say, and looking forward to that dish of ice cream each evening. Loved her dearly.*

Love this photo of Marcia, no matter what adverse issues she may have had, she never, never complained. Several of us got together to play one of her favorite games, that being Rummicubes, I was so grateful that I was able to talk to her on the phone several weeks ago. We had a nice conversation and I told Marcia that the ladies at The Landings were always asking about her and how she was doing. We all miss her and send prayers to you Beth and Gail for your great loss. May God bless Marcia and all of the family.at this sad time,
