“ Aunt Peggy was always a joy to see! Being around her made others happy; her positive attitude and ready laugh were infectious. I always enjoyed going to see her and Uncle Mike when we were younger - they had a different lifestyle - in the country, many dogs, etc, and it was an adventure. Even after Peggy became afflicted with dementia, she retained her positive attitude and her laugh remained at the ready! When I sat with her for a bit at Aunt Mary's wedding to Jack, she was still having a great time and enjoying life. That is a lesson for me, and I will try to emulate her indomitable spirit no matter what lies ahead. RIP Aunt Peggy, you will be remembered with smiles !

“ Aunt Peggy was a joyous woman always ready with a smile, a joke and a laugh. She and Uncle Mike lived a different "country" lifestyle so visiting them with all their dogs out in Terryville was always an adventure. Even after Uncle Mike passed away and she was afflicted with dementia, when I saw her at Aunt Mary's wedding to Jack, she seemed to retain her happy carefree attitude and continued to enjoy herself despite her condition. That infectious laugh and constant positive smiling attitude never left her; a wonderful example to us all. Of course I know she would not have been so well taken care of if it had not been for Aunt Joan, (and Aunt Anna and Aunt Shirley) we should all be so lucky to have sisters such as these. RIP Aunt Peggy, keep smiling and laughing in heaven

“ *I always remember her when I was little visiting my best friend Amy. Her and her husband , mike, were such caring, friendly people. Always so happy.. Never saw her upset. Although I haven't seen her in the recent years, I am sure she carried through life the same way. She was a great lady.*
