“ We met Margie during a meeting of the Villages Spanish American Club, She was very friendly and easy to talk to, My husband Andy and Margie connected immediately when they found out they both grew up in Brooklyn, New York. They had a lot of fun going over their memories. I visited Margie quite a few times and she always had other friends over. Margie was very loving with her family specially her sons and granddaughters, Their names were always on her tongue.

We were very lucky to meet this couple of Michael and Margie here in the Villages. We'll miss them, especially lovely and loving Margie.
