“ *I am sorry we lost touch through the years Grandma Margaret. I have good memories of you from when I was younger and I stayed with you at your house sometimes. You would make that awesome dessert that I loved, I think you called it chocolate rolls, wish I had the recipe for that for my kids. you were always kind to me and I will always remember that. RIP Grandma (Bass) Hobbs*

“ Aunt Margaret, my precious aunt - the last thing I said to you when we were hugging goodbye on Saturday was "If I don't see you again on this side, I'll see you later on the other." Little did I know she would be with Jesus just 2 days later. T.C., Theresa, Danny & Bunky - our hearts go out to you. I know she loved her family with all her heart. Another loss here --another rejoicing in Heaven.
