“ I remember Margaret with my years with Zayre's in Leesburg. We bowled in lot's of games over the years. When it came to volunteer for any cause, Margaret was for sure to be counted on. I sure do remember all the times we walked for MD. Rest In Peace

“ I worked with Margaret at Zayre's/Ames for a few years. I also bowled one season with her way back then. She was a nice lady and always helped me when I needed a hand. You are in my thoughts.
