“ Nunny, I'm so sorry to hear about your mother's death. My memory of her is that she was a lovely lady and that she loved the little convertible (I think it was an MG) that we used to ride around in. You're in my thoughts. Kathy

“ Dear Sue - I worked with your mom at OCCC in the early 1960's until I left after more than a decade. She was a treasure - lovely & warm, such a beautiful lady...and she could be so funny when you weren't expecting it! I have often thought about her through the years, she was so deserving of happiness in her "golden years". My sincere condolences to you all those you love.
