“ I'm really saddened to learn of Joan's passing. She and Jim were good friends (and neighbors) with my parents Bob and Betty Hough. I used to hear their names so often I felt like I knew them, and once my husband Steve and I moved to The Villages we got to know Joan in person. I named her Saint Joan in May 2014 when she so patiently helped me and waited with me at Walgreens while I had MANY photos printed out and put on CD to be displayed at my mom's memorial service. She would laugh every time I called her Saint Joan after that. I'm glad she had Jody as her caretaker at home, from everything I know about Jody she would be a very kind and hard-working friend. Whenever I stop in at the columbarium at North Lake Presbyterian church to visit my parents I will be saying hi and thanks to Saint Joan, too.
