“ Dear Bud, Alan and I were very sad to learn of Margaret's passing. She was such a lovely, sweet and fun lady! I really enjoyed working with her those many years ago in the Orleans District Office of the Cape & Vineyard. My vision of her is with her glasses low on her nose and those beautiful blue eyes looking over them and that mischievous grin on her face. We did alot of laughing in that office! Please accept our sincere condolences to you and your family at this very sad time. Love, Linda
