“ Bob and I were saddened to hear of Peg's death but we know she is so very happy to know she is with her beloved Gil and her Lord, Jesus Christ. The last two visits with her were filled with love and laughter inspite of the pain she was suffering. Peg and Gil were both angels sent to the King Family by God to minister to the entire family during difficult circumstances. We will forever be grateful for their presence in all our lives. Bob and I regret that we will not be able to attend the funeral services, but, Peg knows we love her. Fortunately, we got to spend time with her while she was living her earthly angel life...that means more to both of us. Our sympathy is extended to her family and friends and anyone who enjoyed her life.
