“ Dear Sheri & Danny- So sorry to hear the sad news. We last visited your mom & dad the year before he passed. They were such gracious hosts, inviting us to overnight with them. We were shown around the area, went out to dinner, & generally had a fun family time at the Villages. They showed us lots of photos & caught us up with news of the grandkids. It was easy to see they were living a lovely carefree life. What more could any of us wish for. When Charlie passed, I am sure it was a challenge for Peg. Focusing on the good times will give all of us perspective. Celebrate life.... We hold you in our hearts...Bob & Kathy Stump from Mohrsville, PA.

“ Dear Sheri & Dan, I am so sorry about your moms passing. She was quite the spitfire and I was so grateful to have had the opportunity to have played 18 holes with her just last week. It made my whole vacation to the villages very special. She was such a good friend to my mom and we will both miss her very much! Laurie Zienko
