“ *For Bill and all the family: I attended the service for Rita this morning and I just have to say that the music was just wonderful; the talks were filled with words of love, friendship, and comfort; and the peace that Rita has now was so evident throughout the entire service. Yes, tears were shed by many - tears because we won't see her in this life again but just think of the greatest homecoming to ever take place on those streets of paved gold - Rita will be dancing at the entrance gate and when other family members and friends go to their reward in Heaven, she will greet them with opened arms, that beautiful smile, and wearing a fabulous, beautiful hat! Rita, the epitome of graciousness and with a rare beauty attained by few.*

“ *Our sincere condolences to Bill Nance and the family of Rita Nance. We fondly remember many dance lessons taken from Bill and Rita. They introduced us to the enjoyment of ballroom dance. We have many memories of the dance cruise taken on the MSC cruise line years ago with Bill and Rita. Rita was a classy lady and an inspiration to all us amateur dancers and will be missed by many.*

“ My sincere sympathy to Bill for his loss, I know that Rita will be dancing in heaven. My regrets, George Brook...former Ballroom Instructor at the colleges, and from several Instructors up North that had the pleasure of inspiring us all so long ago, we will never forget Rita.

“ Rita a lady so unique Of you I would like to speak There are so many ways, That you did amaze. Cheerful and elegant for sure, The lady in the hat we do adore; Caring and Courteous, always kind, Positive in attitude the good she'd find As a teacher of dance, She gave us a chance, To learn steps and our skills grow, Some of us were quick and others slow. Rita and Bill are such a beautiful pair, The love so sweet that they share. Rita's faith is strong and the love of God true, Her life a testimony in all she'd say and do. Her love and devotion has touched our heart, Her "Hello love" will ever remain and never depart .
