“ *It is so hard to believe you could really be gone from this earth! I will miss you forever and love you even more! I pray that you get to do all the things in heaven you never were free to do on earth. You were the best mom ever and life will just not be the same without you! I love you mom! Fly high!*

“ *grandma you were the only person that was always there for me.I miss you so much,you've taught me so much more than anyone else espeacially about life...I will always love you and hold you dear in my heart. We've had the best of times nevr a dull moment, the last 18 months have been a heck of a run and you put up one hell of a fight, i've also learned alot through this.We both know you beat the cancer and you won... I know you will always be there to guide me in the right path just the way you always have. I love you and miss you.*

“*Margot, you have touched so many lives with such kind understanding, no one was ever a stranger at your door, you sacrificed so much of your own life to be there for others, you truly made a difference in this world. You not only had the heart of Christ, but you were the hands and feet as well. May you rest in His loving arms.*
