“ *Aunt Marian was the sweetest lady . . . we will all miss her!! I think my best memory is a family picnic we had once at her house in Niles in the early 70's with my cousins and when it got dark, we all caught firefly's in a jar!*

“ Please accept our Deepest Sympathy at this sad time. We were so very sorry to hear of Marian's passing and want you to know our thoughts are with you. My Mom (Helen Shaler) and I both worked with Marian at Coopers & Lybrand and kept in touch with her at Christmas time since both of their retirements. I met Marian when I was a child and went in to the office to see my Mom (Marian was always so nice to me). When I turned 19, I became employed at C&L (South Bend office) and would see her every day when I delivered mail between the two offices. One of my fondest memories of Marian took place at my Mom's retirement party in 1979. They were having a great time reminiscing about events that had taken place over the years. At some point they decided they wanted to dance and so they did - the polka to disco music. At the time it was the funniest thing to see, but before long we were all dancing the polka to disco (setting a new trend). I wanted to share this memory with you as it always brings a smile to my face and I hope that it will yours too. I will leave you with that fond memory and close by saying that we were very happy to have shared a part of your Mom's life. Shelley Shaler Strobe and Helen Shaler

“ *I would like Marian's family to know what a wonderful person Marian was. She was a very good friend to my sister, Mary Botnovcan, and treated me so kindly when I would come to visit my sister. I remember when she took me golfing to one of the courses in The Villages and then out for lunch. I know she will be greatly missed, but realize she's in a better place. Please accept my deepest condolences. Marjorie Woldt*
