“ *To my cousins, I am so sorry to hear of Aunt Maries passing. I seriously cant think of anyone else who I believe lived their life with as much zest as her. She was a total gem and the world lost a great soul, she will be missed by everyone who met her.. I will never forget coming to her house and riding the golf cart and using the binoculars to look at the tigers and next door. She laughed at how excited I got over that. I wish I lived closer so I could have spent more time with her and be there now with you all. With love, your cousin Barb...*
