“ Perhaps they are not stars in the sky, but  
rather openings where our loved ones shine  
down to let us know they are happy.

“ Marie, May Jesus embrace your loving soul. We will miss you very  
much welcoming us at the doors of St Vincent's. However, God has  
bigger plans for you to welcome the citizens into heaven's doors.  
May you rest in peace.

changed your earthly address to your  
heavenly address. You will surely be missed

“ John, Lee, Amy, Donna & family, we are so sorry for your loss. Jenny was such a wonderful person inside and out. She was always the same every time you seen her. She was a hoot to be around. The memories we have will forever be in our hearts. Please know that we are here for you in any way you may need us. May God keep you all safe and give you the comfort you need during this time. Jenny will truly be missed but we will see her again one day. We love you all very much.

“ Though your smile is gone forever  
and your hand we cannot touch  
We still have so many memories  
of the "Jenny" we loved so much  
Your memory is now our keepsake  
with which we'll never part.  
God has her now in his keeping  
We have her in our heart.

*Sadly missed but never forgotten*
