“ Dearest Richard, I am so sorry mom is gone. We have such great memories of the last 3 months with her. It was so funny watching her watch her watch for 7:30 because she knew it was getting close to ice cream time. She really started letting her hair down in the last 3 months. I'll never forget when we were watching American Idol and she asked about Steven Tyler and his nail polish. When I told her he was a millionaire and she said she's happily paint your nails if it would get you to be as rich as he is. The last 3 months was really a very special gift to all of us, we became so close. I know this is very hard for you. We made mom's last 3 months so joyful. She had so much fun with J.J. playing ball, bubbles and eating candy . Please know in your heart that she is happy now because she is with dad and they are together forever now.
