“*When I see a deck of cards... When I see the flowers in my yard that you shared with me. When I get my mail and see the heart ring that you gave me. When I see a BMW, When I see clothing with bling. When I see an éclair or McDonalds sundae When I play Hill Top Golf course When I drive near or go to the pool where I met you. When I eat at Golden Coral. When I go by the Mark Twain library where you got your books to read. When I drive by St. Timothy's Church. When my Ipod plays Alvira Oh so many memories.... such an important part of my life over the past ten years. I will miss you dearly as will your children but I know I will see you again. Until then enjoy the no pain or tears.*
