“ *Grandma, I miss you and I love you very much. I think about you everyday, especially around Christmas I sit and cry because I have so many memories of being around you growing up as a child. I miss the memories of us making Pecan Pie together because it was always my favorite thing to do when you and I made it together. Rest In Peace Grandma, I love you and miss you bunches and wish you were still her with me and the rest of our wonderful family. Give em a run for their money in Heaven Grandma.*
